LETTER FROM THE HEADMASTER

Dear Parents and Friends of Presbyterian School,

Welcome to the 2020 Presbyterian School Gala! The first word in the School's Mission Statement is "Family...Family, School, and Church United in the Education and Support of Each Child." In many ways, tonight is a night about family—families that support and encourage their children, families that support and encourage each other; and (of course) families that support and encourage this good school.

What a night like this really tells us about "family," though, is this: Family isn't always defined by last names or by blood...it's defined by a commitment to authentic relationships that are characterized by showing up when we need it most and by choosing to stand alongside each other in times of triumph and in times of trial. Tonight is most certainly a night to celebrate those relationships and to celebrate the place in which they have grown and flourished: Presbyterian School.

It is my hope that our time together tonight will certainly give us the opportunity to connect with friends and benefactors between and among the various grade levels of our school. At the same time, I hope that this and every event that we sponsor ultimately gives us the chance to promote our Core Values—timeless and poignant reminders of what should truly be important in our lives.

This year's event promises to be particularly exciting as we go back in time to the 1980's to celebrate the founding of our school and to revisit the days of New Kids on the Block, Fine Young Cannibals, and (of course) Milli Vanilli. So, break out your shoulder pads, your animal prints, your Cosby Sweaters, and your stretch pants because we are going back in time!

Putting on event like this one depends so much upon the participation of dedicated folks working together for countless hours over many months. On behalf of the Presbyterian School faculty and staff, I want to extend my deep gratitude for the singular generosity that characterizes our Gala. Initially, we should acknowledge the many underwriters featured in this catalog, without whose leadership tonight would not be possible. Further, I am humbled by the significant planning and behind-the-scenes work that has gone into this celebration, particularly by this year's Gala Chair, Iris Allen, the Chair-Elect, Marty DeBusk, and our Director of Special Events and Alumni, Kendall McCord.

Thank you all for your confidence in Presbyterian School and thank you even more for your willingness to support us not only with your presence here tonight, but with your prayers throughout the year. Have a wonderful evening!

Dr. Mark A. Carleton

GALA CHAIR LETTER & LEADERSHIP TEAM

Dear Presbyterian School Families:

With our Flashback to 1989 theme for Gala 2020, I have spent time reflecting on the past 30 years of Presbyterian School. It's remarkable and inspiring to see how far this School has come in three short decades. My oldest son, Charlie, entered the doors at PS over 12 years ago and to think about the impact this place has had on him and our entire family brings tears to my eyes. We have been a part of this community as it has continued to grow into the amazing place we are able to send our children to today. I can along imagine what the next 30 years has in store for Presbyterian School!

I wanted to express my sincere gratitude to the entire Gala Leadership Team, as well as our Gala Committees. Whether securing auction items, planning socials, or snapping photos for our Class Projects, you have made an impact on this event and, most importantly, our beloved School. Our volunteers continue to be one of the most important parts of what makes this school community so special.

Thank you to all our corporate sponsors, underwriters, ticket purchases, and donors. Without your generous support, this event would not be possible.

Last, but certainly not least, Marty – You have stood alongside me through the entire planning process and provided essential support. It's been a joy working with you and getting to know you better. I cannot thank you enough for all that you have done to help make this event a success. Thank you for saying “yes” to the Chair Elect position two years ago!

Tonight, let's celebrate Presbyterian School and help build the foundation for the next 30 years. We are going to have a totally awesome time reliving the iconic 80's. Raise your paddles high as we cheers to 30 years of PS!

With love and gratitude,

Iris Allen
